☐ This paper is an original work that has not been previously published and is not currently under consideration for publication elsewhere.
☐ Manuscript is submitted through the account of the corresponding author.

☐ A4-sized paper 10-point font size
☐ Line spacing of 200% (double space)
☐ Margins of 25mm for all pages
☐ Page numbers appear at the bottom of each page
☐ No more than 20 pages in total, including abstract, tables, and pictures.

Composition of manuscript

Title page (Cover)	☐ Title; research design type; author' name(s), position and affiliation, ORCID; corresponding author's address and contact details; any relevant statements regarding funding or conflicts of interest, or mention of an associated graduate thesis; editorial notes on IRB approval information; keywords; author contributions
Main text	☐ Title, abstract, introduction, methods, results, discussion, conclusions, references tables, figures, and appendix
Discussion	☐ No redundancy compared to the description of introduction or results
Abstract	☐ No more than 250 words
	☐ Title
	☐ Abbreviations are not included in paper titles and abstracts.
	☐ Body of abstract contains Purpose, Methods, Results, and Conclusion and is consecutively described without changing lines.
	☐ No more than 5 Keywords are described using MeSH term.
References	☐ No more than 30 references (in the case of meta-analysis, systematic literature review, tool development, or structural model, the number of references is no more than 50)
	☐ Reference style follows the submission guidelines of manuscript preparation.
	☐ Paragraphs are outdented.
Figures and tables	☐ Written in English
	☐ No more than five tables and figures (appendixes are excluded). Each is placed on a separate page
	☐ Technical abbreviations and explanation of symbols should be defined below the tables or figures.
	☐ Numerical figures are consistent with the content of the body of the text without misspellings.

I hereby authorize the return of my submitted paper if any of the submission guidelines listed above has not been followed.
